Founded in 2008, STERISYS is now one of Europe's leading providers of sterilization systems for medical devices and robotic handling solutions for the pharmaceutical industry. Based in Belgium and Luxembourg, our team of over 30 passionate professionals works every day to shape the future of healthcare.

YOUR ADVANTAGES AT STERISYS

- **Working environment**

With us, you will be part of a young and dynamic team in a future-proof industry. We maintain a familiar and multilingual working atmosphere with short decision-making processes.

- **Events & Training**

In addition to regular team-building events, you will have the opportunity to take part in various workshops, trade fairs and seminars.

- **FlexWork**

You benefit from flexible working hours and can organize your work yourself depending on activity.

- **Mentoring**

A personal mentor will be on hand to offer you advice and support during your internship.
