

TO GROW OUR TEAM IN EYNATTEN (BELGIUM) WE ARE LOOKING FOR:

PROCUREMENT SPECIALIST (M/F/D)

PERMANENT POSITION, FULL OR PART TIME

Founded in 2008, STERISYS is now one of Europe's leading providers of sterilization systems for medical devices and robotic handling solutions for the pharmaceutical industry. Based in Belgium and Luxembourg, our team of over 30 passionate professionals works every day to shape the future of healthcare.

YOUR TASKS

- Independent management of the procurement of components and services, from requesting quotations to placing purchase orders
- Identification and selection of new suppliers, including their qualification and evaluation in accordance with our quality management system
- Proactive monitoring of delivery schedules, quality requirements and budget compliance
- Participation in requirements planning and inventory management
- Analysis and optimization of existing processes, actively contributing to their standardization, digitalization and automation
- Support for the customer service team and provision of cover when required, particularly in handling customer inquiries, spare parts requests, order processing and deliveries

YOUR PROFILE

- Degree in business, economics, engineering or an equivalent qualification, complemented by relevant professional experience and/or further training
- Independent, structured and detail-oriented approach to work, with a strong interest in improving efficiency and digitalizing processes
- Good command of ERP systems and Microsoft 365 applications
- Strong customer orientation, excellent negotiation skills and confident interpersonal communication
- Professional experience in purchasing, procurement or a related field is an advantage
- Good technical understanding and an interest in products, components and technical environments are an advantage
- Experience working in a certified environment (e.g. ISO 9001 or ISO 13485) is an advantage
- Good command of English; knowledge of German and/or French is an advantage

WE OFFER

- Independent work in an international, innovative, and friendly environment
- A structured onboarding program that helps you get to know your future role, our company and our industry step by step
- Flexible working hours
- Opportunities for personal and professional growth with regular training and development programs
- An attractive salary package with additional benefits
